

ARO Infinite Pro – Tariff Terms and Conditions

1. The ARO Infinite Pro tariff range is applied at connection level.
2. The ARO Infinite Pro tariff range is only available on the Vodafone network.
3. All non-eligible calls will be allocated to the connection that made the call and not charged centrally.
4. 5G data connectivity is subject to coverage both within the UK or within the roaming country and may be subject to the incumbent mobile operator's agreement with the roaming network provider.
5. Unlimited data is for individual usage only within the UK and is subject to review by the network provider at all times. The network provider may contact ARO where usage is deemed by them to be for non-individual and/or excessive usage requesting a change of tariff is made, should this occur ARO will contact the Customer confirming the details of the new tariff and effective date.
6. Any unused data bundle allowances, inclusive or additional, will be lost.
7. Calls to 084/087/118/09 numbers will incur an access charge for the initial minute or part minute and in one-minute increments thereafter, in addition to the service charge cost of the call as defined by the service provider.
8. All eligible picture messages (MMS) will be included in the tariff. Any other non-eligible picture message (MMS) variants will be charged per message at all times.
9. UK non-standard voice calls will attract a minimum call charge of 5p at all times.
10. All tariffing stated within the monthly recurring charges section are to remain activated for the full length of the Agreement.
11. All call charges stated within the Agreement are calculated on the rates shown on a per minute basis and are then rounded up to the nearest penny.
12. All connections connected prior to the 1st May 2022 are automatically opted into ARO Explorer with a 25GB monthly roaming bundle allowance and are opted out of all roaming data capping and any notifications within eligible countries.
13. All connections connected after the 1st May 2022 are automatically opted into ARO Voyager with a 25GB monthly roaming data bundle allowance and are opted out of all roaming data capping and any notifications within eligible countries.
14. Any usage in excess of the monthly data bundle allowance will be charged in 1GB increments.
15. Data roaming is to be on an occasional and infrequent basis, the network provider may contact ARO where usage is deemed to be persistent and/or excessive whilst roaming requesting a change of tariff is made.
16. ARO Explorer and ARO Voyager is charged as a daily access fee in eligible countries only, and is triggered when an eligible call is made, SMS is sent or data session started.
17. Connections will only be charged on the days used (00:00 to 23:59 GMT) for all ARO Explorer and ARO Voyager usage.
18. Calls and text messages to standard UK and In Country standard numbers are eligible for ARO Explorer and ARO Voyager, all other calls are charged at Arrow standard roaming rates.
19. The full list of up-to-date ARO Explorer and ARO Voyager destinations is available on request.
20. In the event that ARO contacts the Customer following a network provider's request for a change of tariff, the customer will not have the right to terminate the agreement.
21. A maximum of 150 eligible connections per Customer is permitted on the ARO Infinite Pro tariff range.
22. ARO Infinite Pro tariff range connections cannot be mixed with any sharer or pooled tariffs on the same account.
23. Early termination charges for individual connections will be calculated based on the monthly rental charge over the number of months remaining until the end of the agreement term.
24. All charges are exclusive of VAT.
